###

Additional Chief Secretary, RD & PR has directed to conduct quality control measures in execution of works of KRIDL (w.e.f. February 2014) on the lines of 3 tier quality measures adopted by KRRDA. Government of Karnataka has exempted under 4(g) of KTPP Act for entrustment of works to KRIDL and it is responsibility of the organization to be transparent and to turnout good quality construction in execution of works with required test conducted on materials used in works.

Quality control measures proposed to be adopted are listed below:

**1. First tier:** PIU (project implementing unit) ie project officers shall conduct required quality test on materials and workmanship as per specifications.

**2. Second tier:** District quality monitors will be empanelled in KRIDL for conducting inspections of works and submission of reports. Project officers shall co-ordinate and provide necessary details to DQM.

**3. Third Tier:** State level monitors will be appointed by Additional Chief Secretary, RDPR. SQM will conduct inspections of works as per the guidelines of RDPR department.

- Quality Control Manual and test report format, tables uploaded in the website for reference and guidance for conducting "Feel Test" and laboratory test.
- Part-I work information (Format as Annexure -1) for buildings, roads and water supply works to be duly filledup and submitted along with accounts. Test reports and formats shall also be uploaded in worksoft (Format in respect of Roads & water supply approved by RDPR Dept. is proposed for adoption).

- Applications for empanelment of District Quality Monitors is uploaded for reference and the same shall be displayed in the Notice Board. Further you are requested to transmit copies to Engineering Colleges/professors/Retd.Chief Engineer and Suptd. Engineer and Resource persons etc who are already empanelled or registered in KRIDL for conducting PMC services etc.
- Reporting format of District Quality Monitors is also listed for reference.
- List of equipment to be available at Sub-Division office/Division Office is listed in Quality control manual in page No.74 to 78.

Implementation of Quality Control in three tier mechanisum were already informed and discussed in JDs & DDs conference held on 12-02-2014. Quality control manual and other detals were uploaded in KRIDL web side [www.kridl.gov.in](http://www.kridl.gov.in) (under download links). You are requested to go through details and offer your remarks and suggessions on or before 28-02-2014 for incorporation and adoption in execution of works.
